

THE NATURAL™

ENZYME STAIN TREATMENT

N-17

PRIMARY USAGE

Organic Odor Digester (Foul Odor Remover)
Drain Maintainer
Laundry Pre-Soak
Pet Stain and Odor Eliminator

DESCRIPTION

Removes odors by digesting, thus eliminating, the cause of the odor rather than masking it. Removes fabric stains by digesting the stains and odors. Removes stains and odor from carpets and upholstery made from pets or other organic matter. A special blend of non-toxic enzymes and detergents which breaks down digests and liquefies organic matter into their simple natural state. Matter like: starches, blood, urine, feces, carbohydrates, detergents, many toxic wastes, poisons, odors, nicotine, grass stains. Great for carpet spotting where food has been spilled or a pet stain occurs.

FEATURES

THE NATURAL™ ENZYME STAIN TREATMENT contains special enzymes. **CLEAN ENVIRONMENT** combines the advantages of enzymes in one product. Virtually any organic stain or odor can be removed with this combination.

- »Great for treating spots on carpets from pet urine or feces.
- »Made with non-toxic, natural solvents and detergents.
- »Non-hazardous to humans, animals, the environment or areas being treated.
- »Pleasant fragrance to leave a fresh scent while the enzymes are at work.
- »Contains no residue leaving powders.
- »One product cleans many surfaces.
- »Extremely easy to use. Skilled labor is not necessary.
- »Immediate and long term odor control
- »Biological oxidation and removal of organics
- »Can be put around urinal or toilet to reduce odor

OTHER APPLICATIONS

Bathroom Surface Cleaning and Odor Control
Toilet and Urinal Non-acid Cleaner and Deodorizer - Hidden Trap Cleaner/Deodorizer
Laundry Pre-Soak and Pre-Spotter to dissolve stains and odors like blood, grass, makeup, etc..
Waste Degradator and Deodorizer for septic tanks, sewage lagoons and porta-potties
Refrigerator and Freezer Odor Eliminator
Garbage Can, Dumpster and Truck Foul Odor Remover and Detoxifier

DILUTIONS and DIRECTIONS

[Shaking just before use energizes the enzymes and speeds up cleaning]

- Severe Odors (such as urine, feces, vomitus, milk), ready-to-use, apply directly to odor source.
- Drain Maintenance, use 2 to 4 ounces per drain weekly.
- Bathroom Surface Cleaning, ready-to-use, spray and wipe.
- Toilets and Urinals, use 2 ounces per fixture, pour around the inside rim of the fixture and swab with a johnny mop, let stand for 15 minutes after cleaning.
- Laundry Pre-Soak and Pre-Spotter, mix with 1 part water and apply directly to stain 15 to 45 minutes before washing.
- Grease Trap Maintainer, use 2 to 4 ounces close to the drain daily.
- Waste Degradar, use 4 to 8 ounces per 500 gallons of capacity in tanks and ponds weekly.
- Refrigerator and Freezer Odor Removal, ready-to-use, spray the source of the odor until wet.
- Garbage Can, Dumpster and Truck Deodorizer, Mix with 3 parts water and spray all surfaces until damp. (Optional - rinse with water after one hour)
- Porta-Potty Deodorizer, pour 4 ounces in each unit daily.

SPECIFICATIONS

COLOR:	Amber liquid
ODOR:	Mint
PH RANGE:	Neutral
ACTIVITY:	9% ± 1%
SOLIDS:	9% ± 1%
USAGE TEMPERATURE:	Between 40 and 105 degrees Fahrenheit
STORAGE:	Cool dry area is best
SHELF LIFE:	1 year when stored between 40 and 90 degrees Fahrenheit
FREEZE/THAW STABILITY:	Stable. Passes 3 cycles
TOXICITY:	Totally non-toxic
HAZARDS:	Non-hazardous to humans, animals, vegetation
POLLUTION:	Non-polluting
BIODEGRADABILITY:	Complete
CAUTIONS:	Avoid direct eye contact. Do not take internally
PACKAGING RECYCLABILITY:	All package components are recyclable
STANDARD PACKAGING:	Quarts, Gallons, 5 Gallons, 15 Gallons, 55 Gallons
